GENERAL INFORMATION

SHIPPING INSTRUCTIONS: Name of Consignee, c/o California Refrigerated Services, Inc., 625 West Anaheim Street, Long Beach, California 90813. Truck loading and unloading **must be completed** by 4:00 p.m. to avoid overtime charge.

TERMS OF PAYMENT: Handling, storage, quick freezing and processing charges are billed monthly in advance. All billings are due and payable upon receipt of our invoices. Interest of 1-1/2% per month (18% per annum) will be charged on all amounts not paid within 45 days from invoice date. Amounts unpaid 45 days subsequent to the invoicing therefore by Warehouseman shall also be subject to a late payment charge of \$6.50 for each 30-day period or portion thereof that such amounts remain unpaid.

WEIGHTS FOR BILLING: The storage, handling, and freezing rates quoted in this tariff apply to gross weights except for meat boxed, solid pack (Bull Meat).

INSURANCE. Products in storage are not insured and the tariff rates do not include insurance.

COLLECTION OF CHARGES: This company acts solely as agent for the storer and assumes no risk for credit or collection.

STORAGE IN TRANSIT: Products will be received and shipped on an "In Transit" basis on the commodities on which the privilege exists. Rates for products stored in transit will be arranged on the basis of products and quantities being offered.

LENDING OF PALLETS OR SEPARATORS TO STORERS: At its option, the company may loan pallets or separators to storers under the conditions that: (1) Storer assumes the obligation to return said pallets or separators (or like pallets or separators) in good condition to warehouseman within a 30-day period from the date the pallets or separators are loaned, or (2) in the event storer fails to return said pallets or separators within said stated period, storer agrees, as a condition of such loan, to reimburse the Company for such unreturned pallets or separators at the current replacement costs. Should the storer fail to either return or compensate the Company for the loaned pallets or separators, storer agrees, as a condition of the loan, that the value of the unreturned pallets or separators, computed as above, will become a lien against goods in storage. Storers will not be permitted to build up monetary credits on excess pallets or separators returned.

RATES for Commodities Not Listed Furnished Upon Request.

Effective June 1, 2001
